BVN Preschool Seeking Donations

The preschool class could use donations of gently used snow pants and snow boots. If you have any your child has outgrown, the class would appreciate them. Thank you for your consideration.

Mrs. Berry's 6th grade art class have been working on mixing and blending watercolors.

To start off the new year, BVN students will be practicing goal setting and having a growth mindset. When students believe they are in charge of their learning and understand that the brain can grow and change, they are more likely to believe in themselves and their education. By setting both short and long term goals, and changing their thinking to foster a growth mindset, drastic improvements can be seen. Please encourage the use of the word “yet” in your children, helping them to understand that just because they may be struggling with something now, does not mean they can not improve.

DEVELOPING A **GROWTH MINDSET**

INSTEAD OF.....	TRY THINKING....
I'm not good at this	What am I missing?
I give up	I'll use a different strategy
It's good enough	Is this really my best work?
I can't make this any better	I can always improve
This is too hard	This may take some time
I made a mistake	Mistakes help me to learn
I just can't do this	I am going to train my brain
I'll never be that smart	I will learn how to do this
Plan A didn't work	There's always Plan B
My friend can do it	I will learn from them

Ohio School Auditorium, 103 Memorial St, Ohio, IL

FREE CLASS, DINNER & CHILDCARE

Provided by Ohio Community Consolidated School

Want to paint a happy future for your children? Start drawing the line today. This study will help you (1) recognize the boundary issues underlying child behavior problems, (2) set boundaries and establish consequences with your kids, (3) get out of the “nagging” trap and stop controlling your kids—and instead help them develop self-control. Raise your kids to take responsibility for their own actions, attitudes, and emotions.

Pre-register online at <https://www.arukahinstitute.org>

RECESS REMINDER:

Students will need snowpants, boots, gloves, hats, and coats in order to play in the snow during recess time. Also, students will be going outside for recess, unless the outside temperature is below 20 degrees (with the windchill).

Movie Day in Pre-K

Bureau Valley North and South Pre-K traveled to the Apollo Theater, to view Disney's Prep and Landing!! The students enjoyed a mini popcorn and drink, provided by the Pre-K Program.

Dear Parents,

The BVN physical education department is sending home information about a roller skating unit coming up in class. We are really looking forward to this opportunity. The cost for each student is \$10.00. Please contact Mr. Helms, Ms. Blumhorst, or the office if this is a problem. We need the money and signed form turned in no later than Friday, January 26.

We will be providing helmets, wrist guards and other safety equipment. We would encourage all students who have their own helmets, knee pads, and elbow pads to bring in their own equipment to use.

Ms. Blumhorst will be looking for volunteers to come in and help the elementary students take equipment on and off. Please email Ms. Blumhorst bblumhorst@bureauvalley.net if you would be available to volunteer. Volunteers would be needed the week of February 12-16 and 20-23.

Again, we are really looking forward to giving students at BVN this opportunity. Please have your money and signed form back by January 26th. If you have any questions or concerns please contact us.

Thank You,

Mr. Bret Helms
Ms. Brianne Blumhorst
BVN Physical Education Instructors
