In honor of 9/11 Bureau Valley High School and Bureau Valley South Junior High School students were allowed to wear hats in exchange for a small donation. The money raised by the students was donated to the Manlius Rescue and Fire Departments. The junior high student council members presented Ben Doty of the Manlius Fire department with a check.

The sixth and seventh grade students used their knowledge of latitude, longitude, continents, and oceans to make a balloon globe in Mrs. Rediger's Social Studies class.
