Coach DeMay's words about the teams are " We've had a great start and I feel that we are going to make great improvements. I can not wait to see what we are like towards the end of the season!" I asked Coach DeMay if we had strong teams. "For what I saw yesterday at practice, I am impressed with what I saw at practice I am excited to see what happens in a game". I also asked Coach DeMay how long she has been coaching. " I have been coaching Varsity Volleyball for 9 seasons. In those 9 seasons I have won 2 regional championships. For girls basketball, this is my 4th season coaching girls basketball. I coached for 3 years at Annawan where I was the Fresh/Soph coach. In those 3 years, I was able to experience a 3rd place at State and winning a State Championship! I am looking forward to teaching the athletes my knowledge of basketball!"
